Vision Hospitality Group, Inc. opens a Fairfield Inn & Suites by Marriott in Cleveland, TN

Chattanooga, Tennessee, April 16, 2008 – Vision Hospitality Group, Inc. announces the successful opening of the 82 room Fairfield Inn & Suites by Marriott in Cleveland, TN. The \$6.5 million hotel is the first of many Marriott affiliated hotels in Vision Hospitality Group's growing portfolio of premium select and full service hotels.

"The Fairfield Inn & Suites by Marriott in Cleveland is our first hotel with Marriott and we are excited about our partnership," says Mitch Patel, President and CEO of Vision Hospitality Group, Inc. "It also represents the first Marriott property in Cleveland, TN"

The Fairfield Inn & Suites was designed with both today's business and leisure traveler in mind. In addition to the 82 well-appointed guestrooms and suites, the hotel will feature approximately 1,000 square-feet of meeting space, an indoor pool and outdoor whirlpool, and a state-of-the-art exercise room and business center.

"Cleveland is an exciting growing market and we feel like it was ready for a new hotel that offers modern amenities," says Mr. Patel. "My father's first hotel in the southeast was in Cleveland back in 1980 with the purchase of the Scottish Inn. I believe we have done him proud by developing this hotel in the community that means so much to him."
