Homewood Suites by Hilton – Atlanta NW/Kennesaw Town Center awarded the Prestigious 2009 New Hotel of the Year Award

Kennesaw, Georgia – March 3rd, 2010 – Vision Hospitality Group, Inc. & the Homewood Suites by Hilton Atlanta NW/Kennesaw Town Center proudly announces the receipt of the *2009 New Hotel of the Year Award* for Homewood Suites by Hilton Brand. The awards event held in Atlanta this year recognized and rewarded the best of the best within the Homewood Suites by Hilton Brand. Hotel General Manager, David Shephard, and his team were very excited to be nominated for the prestigious award, and ultimately being presented such an honor by Hilton Hotels Corporation is truly an outstanding accomplishment. “I am so pleased that we have retained our opening management team and for all the hard work and efforts my associates give on a daily basis” said Mr. Shephard, “my team has a passion for service and it shows!.” The hotel is a family favorite featuring such amenities as; a resort style swimming pool, putting green, billiard room, and basketball court. Also a corporate preference as it is conveniently located just off Barrett Parkway, which is the corporate and retail hub of Cobb County. At the hotel’s opening President & CEO of Vision Hospitality Group, Inc., Mitch Patel stated “We fully expect this hotel to be a “model” property for Hilton and we will ensure this by employing the latest design and construction technologies”. His “vision” came to fruition as the Homewood Suites by Hilton Atlanta NW/Kennesaw Town Center earlier this year hosted the brand marketing photo shoot and the hotel is featured in all print and marketing collateral for the Homewood Suites by Hilton Brand. “We couldn’t possibly be prouder of David and his team”, said Mr. Patel today, “they are a shining example of the Vision Culture”.
