

Doubletree Hotel Chattanooga Earns Top Scores From Hilton Corporation

posted January 28, 2009

The newly opened Doubletree Hotel Chattanooga completed its first Hilton Quality Assurance Inspection from Hilton Hotels Corporation and has scored an Outstanding with a score of 91.68, officials of Vision Hospitality Group, Inc., a Chattanooga-based hotel development and management company, announced.

Assistant General Manger Brad Witzel said, "We are extremely proud to have achieved an outstanding score on our first Hilton inspection and the credit goes to our ownership and our team members for their commitment to this hotel.

"We have always said that the impeccable service provided by our staff will rule the day and by way of this latest inspection that statement has rang true.

"The guest service and satisfaction scores we have accumulated since the hotel's opening have placed us as the number 3 hotel in the entire world out of 202 Doubletree Hotels."

Aleks Kivilaan, senior inspector with Hilton, said during his time as an inspector he has "never given a score of outstanding to an

opening hotel until now and that is something to be extremely proud of."

Mr. Witzel said, "Our company can and did give us the best product in town, but without exceptional service guests would not come back to see us."

The Doubletree Chattanooga has 186 guest rooms including 17 suites with views of the city. The hotel also features an urban-chic lounge called "H2O" and a restaurant named "Eleven" which serves breakfast, lunch, and dinner to both hotel guests and local patrons.
